Charleston County and City of Charleston to Host Dupont|Wappoo Area Community Meeting

Discussions on proposed new zoning overlay district and neighborhood plan to be held at St. Andrews Middle School on January 27, 2016

The City of Charleston and Charleston County are co-hosting a Dupont | Wappoo Area community meeting at 6:00 pm on Wednesday, January 27, 2016 at St. Andrews Middle School Auditorium, located at 721 Wappoo Road, Charleston, SC, 29407.

The purpose of the meeting is for City of Charleston and Charleston County representatives to present a proposed new zoning overlay district for the Dupont | Wappoo Area to address land use, zoning, and design needs identified at public workshops held in 2015; give updates regarding traffic and transportation, drainage and stormwater, economic development, revitalization, and other community elements; discuss next steps; and gather additional feedback from the public.

This project began in June 2015 when the City of Charleston and Charleston County co-hosted the multi-day Dupont|Wappoo Area Planning Workshop to gather input from residents, business owners, community leaders, stakeholders and other members of the community on creation of a neighborhood plan that is cohesive with the greater West Ashley area.
