Traffic Alert: Temporary Nighttime Detour for the Folly Road at Camp Road Intersection Improvements Project

Charleston County Government announces a temporary nighttime detour on Sunday, October 1 on Camp Road from 9 p.m. to 6 a.m. Camp Road will be closed to traffic from Folly Road to Bradford Street for crews to install drainage pipes in front of the BP gas station. The detour is expected to be in place for one night only. All work is weather permitting.

October 1

- Westbound traffic on Camp Road will be directed onto Bradford and Prescott Streets to access Folly Road.
- Northbound traffic on Folly Road will be directed onto Prescott and Bradford Streets to proceed east on Camp Road.
- Flagmen will be on site to control traffic.
- Drivers will have access to businesses and residential properties along Camp Road at all times.
- Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times.

The Folly Road at Camp Road Intersection Improvements Project on James Island involves improvements to Folly Road from about 1,000 feet south of Camp Road to the intersection with Eugene Gibbs Street and Rivers Point Row, and improvements to Camp Road from West Madison Avenue to Oyster Point Row. Improvements will relieve traffic congestion and localized flooding by adding turn lanes and upsizing drainage pipes. Bike lanes and sidewalks will also be included in the project. Stay update on the Folly Road at Camp Road Intersection Improvements project by visiting FollyatCamp.com

Visit the County's official website at http://roads.charlestoncounty.org for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6140.
