County and City to Host Public Meetings on Maybank Highway and Main Road Zoning Project

Charleston County and City of Charleston Planning Departments will host a Johns Island public workshop and a James Island public workshop on the proposed Maybank Highway and Main Road Overlay Zoning Districts. This is the fourth and final round of public workshops to finalize the draft overlay zoning districts. The sessions provide an opportunity for County and City Planning staff to present specific draft overlay information and maps for public review and comment.

The October 24 workshop will focus on the Johns Island portion of Maybank Highway and will include Main Road. The October 29 workshop will focus on Maybank Highway on James Island.

- **October 24: 6:00 PM – 7:30 PM St. John’s High School, 1518 Main Road, Johns Island, SC 29455**
- **October 29: 6:00 PM – 7:30 PM Lowcountry Senior Center, 865 Riverland Drive, Charleston, SC 29412**

The purpose of this collaborative planning effort is to create consistent land use, zoning, and development requirements between the County and City for the Maybank Highway corridor, and for the County to create a new Main Road Overlay Zoning District. Attendees will be encouraged to provide feedback through comment cards and a public comment session. These meetings are the fourth and final round of public workshops regarding the Maybank Highway and Main Road corridors.
