

Charleston County News Release

Release Number: 3060
Date: October 29, 2009

Electronic Recycling Day is Nov. 14 at the Tanger Outlets

Turn in your old TV's, microwaves, computers, etc. for recycling

[Charleston County's Environmental Management Department](#) will hold an Electronic Recycling Day event from 10 a.m. – 2 p.m. on Saturday, Nov. 14. The second annual event will be held on the Tanger Outlet Boulevard side of the Tanger Outlets' parking lot (4840 Tanger Outlet Blvd, North Charleston).

Charleston County's Environmental Management Department, Knology and the Tanger Outlets will host the event, which is being held on Saturday, Nov. 14, to coincide with [America Recycles Day](#), which is celebrated nationally every year on Nov. 15.

During Electronic Recycling Day, residents can drop off their old, non-working or unused electronics to be recycled. Volunteers will be present to help with unloading electronics and directing traffic.

Electronic devices often consist of valuable resources such as precious metals (gold or silver), more common metals (aluminum and copper) and engineered plastics. Electronic recycling helps to recover these valuable materials while also conserving energy and landfill space.

The event will be set up to accommodate Charleston County residents only; businesses or contractors will not be allowed to drop off electronics.

The following are examples of electronics that can be recycled:

- Adding machine
- Cable box
- Calculator
- Camcorder
- Clock
- Computer (including monitor, keyboard, mouse, hard drive, as well as laptops)
- Copy machine
- DVD player
- Fax machine
- Microwave
- Printer
- Scanner
- Shredder
- Radio/stereo (including cassette players and CD players)
- Telephone (including cell phones and cordless phones)
- TV
- Remote control
- VCR
- Video game console and accessories

Residents who cannot attend the Nov. 14 event can recycle their electronics at one of the eight Charleston County solid waste convenience centers open to the public:

- Adams Run – 8326 Old Jacksonboro Road, 29426
- Awendaw – 6380 Maxville Road, 29429

[America Recycles Day](#) is celebrated year-round and culminates every Nov. 15 to remind citizens that recycling is working, and the important part each of us plays in its on-going success. The nationwide celebration is designed to encourage people to recycle and buy products made from recycled materials.

South Carolina has developed one of the nation's top America Recycles state campaigns through the efforts of a statewide public and private steering committee. Various statewide programs and contests are offered each year to support the national America Recycles efforts.
