Traffic Alert: Temporary Lane Closure on Magwood Drive for Glenn McConnell /I-526 Improvement Project

As a part of the [Glenn McConnell / I-526 Improvement Project](#) in West Ashley, road crews will temporarily close lanes on Magwood Drive at night beginning on Sunday, Sept. 19 through Thursday, Sept. 23 between 8 p.m. and 6 a.m.

Traffic will be shifted but a single lane of traffic will be maintained in both directions. Motorists should expect some intermittent stops necessary for equipment operations, and flagmen will be present to direct traffic in these situations. All entrances and exits will be maintained during the lane closures.

The public is asked to take notice of traffic control signs and message board information. All road work is dependent on the weather. Every effort is being made to schedule necessary lane closures for the project during off-peak, nighttime and weekend hours when possible.

Any other road work on the project that could disrupt traffic will be announced through news releases issued to local media and posted on both the [Charleston County Government](#) and [Charleston County RoadWise](#) Web sites.

Charleston County RoadWise is the name of [Charleston County Government's](#) management program for the construction of roads, highways, resurfacing, paving and drainage projects that are funded by the Transportation Sales Tax. Visit the official Web site at www.ccroadwise.org for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax projects.

The public can get up-to-date project information, including construction status and traffic alerts, online at http://www.ccroadwise.org/gm_526_const.html.
