Traffic Alert: Sept. 28-30 Nighttime Lane Closures in Preparation for Johnnie Dodds Boulevard Improvements Project

[Charleston County Government](#) announces new, nighttime road work that will affect northbound and southbound traffic on Johnnie Dodds Boulevard (U.S. 17) this week.

The following work is necessary so road crews can prepare for construction of the [Johnnie Dodds Boulevard Improvements Project](#) in Mount Pleasant:

Sept 28 and 29 northbound lane closures near Bowman Road intersection:

- Drivers should expect northbound, outside lane closures on Johnnie Dodds Boulevard between 9 p.m. and 6 a.m. on Tuesday, Sept. 28 and Wednesday, Sept. 29.
- Workers will continue soil testing around the Bowman Road intersection.
- At no time will the entire roadway be blocked to traffic.
- If the weather is poor on these dates, the work will be completed on the next weather-permitting day.

Sept. 30 southbound lane closures near Bowman Road intersection:

- Drivers should expect southbound, outside lane closures on Johnnie Dodds Boulevard between 9 p.m. and 6 a.m. on Thursday, Sept. 30.
- Workers will be testing soil around the Bowman Road intersection to determine requirements for the bridge foundation.
- At no time will the entire roadway be blocked to traffic.
- If the weather is poor on these dates, the work will be completed on the next weather-permitting day.

This map indicates projects on U.S. 17 and the authority responsible for each project, including the County's work on Johnnie Dodds Boulevard: <http://www.ccroadwise.org/file/images/jdbprojects.jpg>.

All motorists traveling through the project area are asked to be aware of equipment and crews and to be prepared for delays beginning this week. Alternative routes are recommended if possible. The public is also asked to notice traffic control signs, reductions in speed limit and message board information, and to note that all road work is dependent on the weather.

The project, which is expected to be completed in the fall of 2012, is funded by the [Charleston County Transportation Sales Tax](#) and managed by [Charleston County Government](#)'s RoadWise Program, in close coordination with the [Town of Mount Pleasant](#) and the [S.C. Department of Transportation](#). The goal of the project is to improve the traffic flow in and out of Mount Pleasant, especially before and after school and work hours.

Every effort is being made to schedule necessary lane closures for the project during off- peak, nighttime and weekend hours when possible.

Charleston County RoadWise is the name of [Charleston County Government's](#) management program for the construction of roads, highways, resurfacing, paving and drainage projects that are funded by the Transportation Sales Tax. Visit the official Web site at www.ccroadwise.org for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax projects.

The public can get up-to-date project information, including construction status and traffic alerts, online at http://www.ccroadwise.org/johnnie_dodds.html.
