Electronic Recycling Day is Nov. 13 at Tanger Outlet Center

Recycle your old TV's, microwaves, computers, etc.

[Charleston County's Environmental Management Department](#) will hold an Electronic Recycling Day to coincide with [America Recycles Day](#) on Saturday, Nov. 13 from 10 a.m. – 2 p.m. The third annual event will be held at Tanger Outlet Center (4840 Tanger Outlet Boulevard, North Charleston SC 29418) at the front entrance parking lot.

Charleston County residents can drop off their old, non-working or unused electronics to be recycled. Electronic devices often consist of valuable resources such as precious metals (gold or silver), more common metals (aluminum and copper) and engineered plastics. Electronic recycling helps to recover these valuable materials while also conserving energy and landfill space.

The event is to accommodate Charleston County residents only; businesses or contractors will not be allowed to drop off electronics. Volunteers will be present to help with unloading electronics and directing traffic.

The following are examples of electronics that can be recycled:

- Adding machines
- Cable boxes
- Calculators
- Camcorders
- Clocks
- Computers/laptops (including monitor, keyboard, mouse, hard drive)
- Copy machines
- DVD players
