## Traffic Alert: April 12 Minor, Nighttime Delays for the Bees Ferry Road Widening Project

[Charleston County Government](#) announces the following traffic alert regarding minor, nighttime delays on Bees Ferry Road for the [Bees Ferry Road Widening Project](#) in West Ashley:

- Drivers should expect intermittent stops on Bees Ferry Road between Sanders Road and Grand Oaks Boulevard between 8 p.m. on Thursday, April 12 and 5 a.m. on Friday, April 13.
- Workers with flags will direct traffic through the construction zone.
- All road work is dependent on weather. If the weather is poor the night of April 12, work will continue on the next weather-permitting night (other than a Friday or Saturday).

Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. The public is also asked to notice traffic control signs, reductions in speed limit and message board information.

The goal of the project, which is expected to be completed April 2014, is to make improvements to the entire 4.5 mile length of Bees Ferry Road from Savannah Highway (U.S. 17) to Ashley River Road (S.C. 61). The project was requested by the [City of Charleston](#) and was funded by the [Charleston County Transportation Sales Tax Program](#). Partial funding for the project was approved by voters in the [second Transportation Sales Tax bond referendum](#).

The public can get more information and see photos of the construction process online at [http://www.ccroadwise.org/projects/bees\\_ferry\\_road/index.php](http://www.ccroadwise.org/projects/bees_ferry_road/index.php). Visit the official website at [www.ccroadwise.org](http://www.ccroadwise.org) for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects.
