## Charleston County News Release

Release Number: 3522

Release Date: October 31, 2012

**Project website:** [http://www.ccroadwise.org/projects/johnnie\\_dodds/index.php](http://www.ccroadwise.org/projects/johnnie_dodds/index.php)

**Project area map:** [http://www.ccroadwise.org/projects/johnnie\\_dodds/index.php](http://www.ccroadwise.org/projects/johnnie_dodds/index.php)

## Traffic Alert: Weekend Closure on Johnnie Dodds Boulevard Project for Mt. Pleasant Waterworks

Mt. Pleasant Waterworks will be working on a sewer line repair that will affect traffic in the area of the [Johnnie Dodds Boulevard Improvements Project](#) as follows:

- **Where:** Johnnie Dodds Boulevard northbound on-ramp/frontage road, heading from Bowman Road toward I-526, (adjacent to McDonald's restaurant) will be closed to all traffic
- **When:** between 9 p.m. on Friday, Nov. 2 and 6 a.m. on Monday, Nov. 5.
- Signs will direct drivers through detours at the construction location.
- The work is necessary for Mount Pleasant Waterworks to repair a 27-year-old sewer line under Johnnie Dodds Boulevard. It is estimated that the new repair will last 50 years.

Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. Drivers are encouraged to go slow and allow additional time to reach their destinations safely.

Alternative routes are recommended if possible. The public is also asked to notice traffic control signs, reductions in speed limit and message board information, and to note that all road work is dependent on the weather.

The goal of the project, which is expected to be completed in the spring of 2013, is to improve the traffic flow in and out of Mount Pleasant, especially before and after school and work hours. The project is funded by the [Charleston County Transportation Sales Tax](#) and managed by [Charleston County Government's](#) RoadWise Program, in close coordination with the [Town of Mount Pleasant](#) and the [S.C. Department of Transportation](#).

The public can get up-to-date project information, including construction status and traffic alerts, online at [http://www.ccroadwise.org/projects/johnnie\\_dodds/index.php](http://www.ccroadwise.org/projects/johnnie_dodds/index.php).
