Release Number: 3659

Project website: http://www.ccradwise.org/projects/bees_ferry_road/index.php

Traffic Alert: Lane Closures and Traffic Shifts Continue Through September 27 for Bees Ferry Widening Project

Drivers should expect lane closures and traffic shifts and to encounter temporary delays as construction crews continue installing underground drainage pipes, curb and gutter, and preparing and placing asphalt for the [Bees Ferry Widening Project](#) in West Ashley. All construction areas will be marked with construction cones and signs, and all work is dependent on the weather.

The following, previously announced, road work on the project will continue through Friday, Sep. 27:

- ***Bees Ferry Road traffic shifts:***
 - The shifts are necessary to install curb and gutter, sidewalks, asphalt and conduct other construction activities.
- ***Bees Ferry Road Nighttime lane closures:***
 - Drivers should expect temporary, nighttime lane closures on Bees Ferry Road between 8 p.m. and 5 a.m.
 - The speed limit on Bees Ferry Road is **reduced from 45 mph to 35 mph.**
- ***U.S. 17 (Savannah Highway) traffic shifts between Main Road and Bees Ferry Road:***
 - The shifts are necessary to install drainage structures and conduct other construction activities.
- ***Bees Ferry Road Nighttime lane closures between Main Road and Bees Ferry Road:***
 - Drivers should expect temporary, nighttime lane closures on U.S. 17 between 8 p.m. and 5 a.m.
 - The speed limit on Bees Ferry Road is **reduced from 45 mph to 35 mph.**

Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. The public is also asked to notice traffic control signs, reductions in speed limit and message board information.

The goal of the project, which is expected to be completed June 2014, is to make improvements to the entire 4.5-mile length of Bees Ferry Road from Savannah Highway (U.S. 17) to Ashley River Road (S.C. 61). The project was requested by the [City of Charleston](#) and is funded by the [Charleston County](#)

[Transportation Sales Tax Program](#). Partial funding for the project was approved by voters in the second Transportation Sales Tax bond referendum.

Visit the official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6154.
