### Arman Road Paving Project is Complete

*Project paves dirt road on Wadmalaw Island to improve citizen's quality of life*

[Charleston County Government](#) and citizens of the Pleasant Hill Community will mark the completion of the Arman Road Paving Project at a ribbon cutting ceremony on Sept. 13 at 10 a.m. on Wadmalaw Island along Arman Road. [Charleston County District 8 Councilwoman Anna Johnson](#) will speak at the ceremony along with other representatives from the community.

The Arman Road project improved a 1,700-foot earth road to a two lane asphalt paved surface. Environmentally friendly drainage areas were installed along the road side to capture stormwater runoff and improve water quality. The project is located off of Boy Scout Road on Wadmalaw Island.

Project funding came from the Annual Allocation portion of the [Charleston County Transportation Sales Tax](#). The project is managed by [Charleston County Government](#), in close coordination with the citizens of the community.

Visit the official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects.

**Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6140.**
