## **Traffic Alert:** Bees Ferry Road Widening Project details for month of February

[Charleston County Government](#) announces **daytime** lane closures during **non-peak hours** on [Bees Ferry Road](#) throughout the month of February. All work is weather permitting.

- Intermittent lane closures, sidewalk closures, and multi-use path closures may occur in isolated areas along Bees Ferry Road so the contractor can repair items identified during the Bees Ferry Widening project final inspection. Items in need of repair include sections of cracked sidewalk, cracked curb and gutter, asphalt/concrete work around utility manholes, and leaking drainage structures.
- This work will occur between 9 a.m. and 3 p.m.
- Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times.
- The public is also asked to notice traffic control signs, reductions in speed limits, and message board information.
- At least one lane in each direction of travel will always remain open.
