Charleston County Severe Weather Update #4

Charleston County Government is closely monitoring the weather situation and asks the public to remain updated through the County's website or social media sites for the latest information.

As a reminder, County facilities (including all Charleston County Library branches) are closed today Friday, October 2.

The only exceptions are:

- Essential personnel will report as needed.
- DAODAS Charleston Center outpatient services will be closed, but we will still be providing services in our Opioid Treatment Program and Inpatient services.
- Charleston County Bond Court will hold one session at 10:00 a.m. today, Saturday and Sunday.

Charleston County moved into Operating Condition (OPCON) 4 on Thursday, Oct. 1 and will continue to monitor the situation. At this point, Charleston County has not activated the Emergency Operations Center. However, we have staff ready in case the weather situation changes.
