Printing Reduction Contest Winner Announced!

Congratulations to the Department of Economic Development who came in first place in the Printing Reduction Contest which ran from May to October 2022. The goal was to reduce printing the highest percentage compared to the same time period in 2021. Economic Development staff reduced their printing by 37% and received a trophy for their efforts.

Runners up are:

- Human Resources
- Environmental Management

These are all the other departments or DCAs that reduced their printing:

- DCA General Services
- Planning and Zoning
- Budget
- Finance
- DCA Public Services
- Technology Services
- Contracts & Procurement
- Emergency Medical Services
- Consolidated Dispatch
- Probate Court
- Assessor
- Safety & Risk Management
- Public Works
- Fire Department

Charleston County Receives South Carolina Energy Office Mini-Grant

Charleston County was awarded \$10,000 as part of U.S. Department of Energy funding through the South Carolina Office of Regulatory Staff (ORS) Energy Office. This grant will help fund electric vehicle chargers at County properties.
