Reference: Charleston County Hazard Mitigation Plan

Dear Mr. Spires:

This is a follow-up to our previous correspondence of March 20, 2024, in which we approved the Charleston County Hazard Mitigation Plan and all participating jurisdictions that originally submitted adoption resolutions. We have recently received and approved additional resolution(s) for inclusion.

Enclosed is the status of all participating jurisdictions. Approved jurisdictions are eligible applicants through the State for the following mitigation grant programs administered by the Federal Emergency Management Agency (FEMA):

- Hazard Mitigation Grant Program (HMGP)
- Flood Mitigation Assistance (FMA)
- Building Resilient Infrastructure and Communities (BRIC)

Please note that all funding requests will be evaluated individually according to the program's specific eligibility requirements.

If you or any plan participant need assistance, please do not hesitate to contact Jake Grabowsky, of my staff, at (202) 856-1901.

Sincerely,

A handwritten signature in blue ink that reads "Kristen M. Martinenza".
