Charleston County and the City of North Charleston partner to manage U.S. Housing and Urban Development (HUD) funds. The purpose of this funding is to provide clean, suitable and decent living conditions for the area's low-to-moderate income population, assist in the development of affordable housing and to support agencies serving the area's homeless population. During the last fiscal year, the City and County collaborated with 32 government and other organizations to ensure successful results while reducing potential duplication of efforts.
