Heroism takes many forms, and we're counting on you to help us identify the heroes among us.  The People Helping People Awards is an annual, member-driven program that recognizes members and nonprofits that help others. Each winner receives up to \$50K in grant funds. This year, through our Black Community Development Project (BCDP), a five-year, \$5 million commitment to Black communities and racial equity, we're giving up to \$150K in additional funding to Black-led nonprofits nominated by BECU members.
