CHAPTER 6 | USE REGULATIONS

ARTICLE 6.8 SHORT-TERM RENTALS

Sec. 6.8.1 Purpose and Applicability

A. Purpose. The County is committed to working to protect the traditional quality of life and character of its residential neighborhoods. The County has concerns about permitted Short-Term Rentals resulting in increased traffic, noise, trash, parking needs, safety and possible adverse impacts and other undesirable changes to the nature of the County's neighborhoods. Therefore, after providing many opportunities for public input and following careful study and consideration, County Council finds it appropriate and in the best interests of its residents, property owners, and visitors to regulate Short-Term Rental Properties (STRPs) within unincorporated Charleston County.

This Article sets out standards for establishing and operating Short-Term Rental Properties. These regulations are intended to provide for an efficient use of Dwellings as STRPs by:

1. Providing for an annual permitting process to regulate STRPs;
2. Balancing the interests of properties that are frequently used in whole or in part by Short-Term Rental Tenants;
3. Allowing homeowners to continue to utilize their residences in the manner permitted by this Ordinance for the Zoning District in which a particular Dwelling is located;
4. Providing alternative accommodation options for lodging in residential Dwelling Units; and
5. Complementing the accommodation options in environments that are desirable and suitable as a means for growing tourism.

B. Applicability.

1. *Short-Term Rental Types.* The following Short-Term Rentals shall be authorized pursuant to this Article:

- a. STRP, *Limited Home Rental (LHR)*;
- b. STRP, *Extended Home Rental (EHR)*; and
- c. STRP, *Commercial Guest House (CGH)*.

2. *Applicable Zoning Districts.* STRPs shall be allowed within the Zoning Districts of this Ordinance in accordance with Table 6.1.1, *Use Table*, applicable Overlay and Special Purpose Zoning District Regulations, and as approved in Planned Development Zoning Districts. Planned Development Zoning Districts that do not specify STRPs as an allowed use must be amended to allow STRPs.

3. *Application.* Applications for STRPs shall be made in compliance with this Article.

4. *VariANCES.* VariANCES from the requirements of Sec. 6.8.3.A, *Use Limitations and Standards*, are prohibited.

C. Registration. All STRPs require a Zoning Permit and Business License, which must be renewed annually pursuant to this Article.

D. Compliance with Other Regulations. All STRPs, including Nonconforming Uses as allowed for in this Article, shall comply with all applicable local, state, and federal rules and regulations.

(Ord. No. 2316, 10/29/2024)

Effective on: 10/29/2024, as amended

Sec. 6.8.2 Permitting Processes

1. The name, address, email, and telephone number of all property owners of the Short-Term Rental Property (STRP).

2. Completed STRP application signed by all current property owner(s). For properties owned by corporations or partnerships, the applicant must submit a resolution of the corporation or partnership authorizing and granting the applicant signing and authority to act and conduct business on behalf of and bind the corporation or partnership.
3. Restricted Covenants Affidavit(s) signed by the applicant or current property owner(s) in compliance with state law.

B. Short-Term Rental Property Site Plan Review Categories. Notwithstanding the provisions of Art. 3.7, *Site Plan Review*, or this Ordinance, STRPs must complete Site Plan Review as prescribed in this Section based on the Permitting Process provided in Table 6.8.2 prior to obtaining a STRP Zoning Permit. The Building Inspection Services Department may require a building safety inspection and/or Building Permit as a condition of the STRP Site Plan Review approval.

1. *STRP, Administrative Site Plan Review.* Requires a Zoning Permit application, fee, aerial photographs, and photographs of the property. At the discretion of the Zoning and Planning Director, a site plan drawn to engineer's scale depicting existing and proposed conditions, including required parking, shall be submitted, and site visits by Zoning and Planning Staff may be required.

All other provisions and requirements of Art. 3.6, *Special Exceptions*, shall apply.

1. All STRP Zoning Permits must be renewed annually in compliance with this Article. An application for annual renewal of the Zoning Permit must include:

A notarized affidavit signed by the Property owner stating that the type of STRP use and the information submitted as part of the application for the previous year's STRP Zoning Permit has not changed in any manner whatsoever and that the STRP use complies with the most recently adopted version of this Article (form of Affidavit provided by the County); and
 - c. Owner-Occupied STRP affidavit, as applicable.
2. The Zoning and Planning Director may request STRP records including days the STRP was rented, STRP advertising records, STRP rental income, and STRP rental receipts. The records shall be provided to the Zoning and Planning Director within 10 working days from the date requested; otherwise, the STRP Zoning Permit will be denied.
3. The applicant shall file an application for a new STRP Zoning Permit if the aforementioned requirements are not met.

4. If the Zoning and Planning Director determines that the STRP use is not consistent with the Special Exception approval that authorizes the use and/or Site Plan Review approval that authorizes the use, the applicant shall file an application for a new STRP Zoning Permit, including applicable Special Exception and/or Site Plan Review applications and fees, and all requirements in effect at the time of STRP Zoning Permit application submittal shall apply.
5. The owners of all registered STRPs must renew the Zoning Permit for the STRP use by December 31st of each year or their existing Zoning Permit will expire. Sec. 6.8.4 Enforcement and Violations

- A. Notwithstanding the provisions of **CHAPTER 11, *Violations, Penalties, and Enforcement***, of this Ordinance, a STRP Zoning Permit may be administratively revoked by the Zoning and Planning Director or his designee if the STRP has violated the provisions of this Article on three or more occasions within a 12-month period. However, a STRP Zoning Permit may be immediately revoked if the Zoning and Planning Director determines the STRP has Building Code violations, there is no current Business License for the property, the property is being used in a manner not consistent with the Zoning Permit issued for the STRP use, or the advertisement for the STRP does not include the County issued STRP Zoning Permit Number and Business License Number for the current year.
- B. If a STRP Zoning Permit is administratively revoked or an application for a STRP Zoning Permit is administratively denied, a STRP owner (or authorized agent) may appeal the Zoning and Planning Director's administrative decision revoking or denying the STRP Zoning Permit to the Board of Zoning Appeals within 30 calendar days from the date of the denial or revocation. All appeals shall be addressed in accordance with the appeal procedures of **CHAPTER 3, Article 3.13**, of this Ordinance.
- C. Once a County-issued STRP Zoning Permit and/or a Business License has been revoked, no new STRP Zoning Permit and/or Business License shall be issued to the applicant for the same property for a period of one year from the date of revocation. Upon expiration of the revocation period, a new STRP Zoning Permit application may be filed and all requirements, processes, and fees in effect at the time of the STRP Zoning Permit application submittal shall apply.

Effective on: 10/26/2017, as amended

Sec. 6.8.5 Amortization of Nonconforming STRPs

The South Carolina Local Government Comprehensive Planning Enabling Act of 1994, as amended (Planning Act) authorizes local governments to terminate a nonconformity by specifying the period or periods in which the nonconformity is required to cease or be brought into compliance pursuant to S.C. Code Ann. Section 6-29-730 (2007).

Therefore, if a Dwelling was legally used as a STRP prior to July 24, 2018, the Dwelling may continue as a Nonconforming Use pursuant to **CHAPTER 10, Nonconformities**, of this Ordinance until July 24, 2023 to allow for the recovery or amortization of the investment in the Nonconforming Use, after which the Nonconforming Use as a STRP shall terminate.

During the amortization period, all Nonconforming STRPs must comply with all other requirements of this Article as is reasonably possible, including but not limited to, making an application for a Short-Term Rental Permit. Exceptions will be made for restrictions on maximum number of rental days, special exceptions use conditions, owner occupancy status, or use subject to conditions.

Not less than 60 days before the end of the amortization period, the owner of the Dwelling may request a special exception to the amortization period. All requests shall be made to Board of Zoning Appeals in writing, and all decisions shall be subject to the provisions of Art. 3.6 of the ZLDR except for Art. 3.6.1 and Art. 3.6.5.

The Board of Zoning Appeals may grant an extension of the time of the amortization period if the owner of the Nonconforming STRP proves that he is unable to recoup his investment in such property by the conclusion of the amortization period.

Criteria and Findings. In determining whether to grant an extension of the amortization period for a Nonconforming STRP, and in determining the appropriate length of such an extension, the Board of Zoning Appeals shall consider the following factors:

- A. The gross income and expenses from the Nonconforming STRP since the use began;
- B. The amount of the property owner's investment in the Nonconforming STRP prior to July 24, 2018;
- C. The amount of such investment that has been or will have been realized at the conclusion of the five-year amortization period;
- D. The present actual and depreciated value of the property and improvements;
- E. The applicable Internal Revenue Service depreciation schedule;
- F. The total length of time the Nonconforming Use has existed;
- G. The existence or nonexistence of lease obligations, as well as any contingency clauses permitting termination of such lease;
- H. The remaining value and allowed uses of the property after discontinuing the Nonconforming Use;
- I. The ability of the property owner to change the use to a conforming use;
- J. The effects of the Nonconforming Use on the surrounding area;
- K. The extent to which the Nonconforming Use is incompatible with surrounding uses and properties;
- L. The interference with or threat to the public health, safety, and welfare of the community; and
- M. Any other factor the Board of Zoning Appeals reasonably determines is related to determining whether the investment in the Nonconforming Use has been recovered.

The Board of Zoning Appeals shall receive and consider evidence presented by the Applicant, and shall make findings that the amortization period it establishes is reasonable in view of the evidence and the criteria set forth above.

BZA Meeting of March 3, 2025

Subject Property: 428 Riverland Drive – James Island

Proposal: Special Exception request to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Low Density Residential (R-4) Zoning District.

Subject Property

Single Family Residence and Parking

Surrounding Properties

Riverland Drive

Staff Review:

The applicant and property owner, Demetrius Potts, is requesting a Special Exception to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Low Density Residential (R-4) Zoning District at 428 Riverland Drive (TMS # 343-10-00-026) on James Island in Charleston County. The subject property and surrounding properties are located in the Low Density Residential (R-4) Zoning District.

The 0.21-acre property contains a duplex with four (4) bedrooms that was constructed in 1953 per Charleston County records. The applicant would like to rent (2) two bedrooms and will provide six (6) parking spaces pursuant to the *Charleston County Zoning and Land Development Regulations Ordinance (ZLDR)* parking requirements. The maximum number of guests allowed will be (4) four. The property is owner occupied and the owner has rented the property as a Limited Home Rental (LHR) since June 2020. LHR permits are limited to (seventy-two) 72 days in aggregate per calendar year.

Please note that the applicant is showing four (4) parking spaces on the submitted site plan because since 2020 Staff processed the LHR permits as a single-family residence (SFR) which requires four (4) parking spaces when including the STR use (2 parking spaces are required for a SFR plus 2 for the two bedrooms that are rented are required for the STR use). After the BZA application was processed, Staff discovered that the structure is a duplex which requires four parking spaces for the duplex plus two parking spaces for the STR use for a total of six (6) parking spaces. Staff is comfortable proceeding with BZA because the property is large enough to provide all six parking spaces on the property.

Please note that the applicant is showing four (4) parking spaces on the submitted site plan because since 2020 Staff processed the LHR permits as a single-family residence (SFR) which requires four (4) parking spaces total when including the STR use [2 parking spaces are required for a SFR plus 2 for the two bedrooms that are rented are required for the STR use]. After the BZA application was processed, Staff discovered that the structure is a duplex which requires four parking spaces for the duplex plus two parking spaces for the STR use for a total of six (6) parking spaces. Staff is comfortable proceeding with BZA because the property is large enough to provide all six parking spaces in the driveway.

The applicant's letter of intent explains, *"The request is to establish a Short-Term Rental Property (STRP) at the subject location, operating in compliance with Charleston County Zoning and Land Development Regulations Article 6.8. The STRP will serve as a secondary use for the primary residential property, providing temporary lodging while safeguarding the neighborhood's character and integrity. The property will meet all operational, occupancy, and safety requirements as outlined in Article 6.8, including compliance with noise ordinances, proper waste management, and designated off-street parking. By adhering to these standards, the STRP will complement the local community by enhancing accommodation options for visitors and supporting Charleston County's tourism goals without compromising the quality of life for residents. All applicable licenses, permits, and taxes will be maintained, and a Short-Term Rental Agent (STRA) will be available 24/7 to ensure smooth operations and immediate resolution of any concerns."*

Please note that if the BZA approves this request, they may restrict the number of days the Short-Term Rental Property (STRP) may be rented in aggregate during any calendar year.

The Charleston County Zoning and Land Development Regulations Ordinance (ZLDR), Chapter 6 Use Regulations, Article 6.1 Use Types and Use Table, Sec. 6.1.3 Special Exception Uses states, "An "S" indicates that a use type is allowed only if reviewed and approved in accordance with the Special Exception procedures of this Ordinance, subject to compliance with use-specific conditions and all other applicable regulations of this Ordinance." Sec. 6.1.6 Table 6.1-1 Use Table indicates that Short-Term Rentals, Extended Home Rental (EHR) in the Low Density Residential (R-4) Zoning District is a use type allowed only if it complies with use-specific conditions of (Article 6.8 Short-Term Rentals) all other applicable regulations of this Ordinance and is approved by the BZA as a Special Exception.

Staff conducted a site visit on February 12, 2025. Please review the attachments for further information regarding this request.

Article 6.8 Short-Term Rentals, Sec. 6.8.2 Permitting Processes, C. Special Exception: Notwithstanding the provisions of Art. 3.6, Special Exceptions, of this Ordinance, the following approval criteria shall apply to STRPS in place of those contained in Sec. 3.6.5 of this Ordinance if a Special Exception is required to obtain a STRP Zoning Permit based on the Permitting Process provided in Table 6.8.2 of this Article:

§6.8.2C.(1): *Is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community;*

Response: The proposed Short-Term Rental Property (STRP) use may be compatible with existing uses in the vicinity and may not adversely affect the general welfare or character of the immediate community. The applicant's letter of intent states, "**The proposed short-term rental property (STRP) use aligns with the existing residential character of the neighborhood. The STRP will adhere to regulations on maximum occupancy, noise control, and parking, ensuring minimal disruption to the community. Furthermore, the STRP will complement local tourism by offering desirable accommodations while maintaining the integrity and safety of the neighborhood.**" Therefore, the request may meet this criterion.

§6.8.2C.(2): *Adequate provision is made and/or exists for such items as: Setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors; and*

Response: Adequate provisions have been made and/or exist for such items as: setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors. The **applicant's** letter of intent states, "**Noise: Compliance with Charleston County's noise ordinance (Chapter 3, Article II) will ensure disturbances are minimized. Parking: Off-street parking will follow the requirements of §9.3.2 to prevent congestion (as shown in site-plan). Trash: Tenants will receive clear instructions on trash collection schedules and**
