Traffic Alert: Main Road Nighttime Closure Aug. 18-20 between Publix Shopping Center entrance and U.S. 17

Signs will help drivers take detour from 9 p.m. to 5 a.m. during work

Charleston County Government announces the following traffic alert regarding the closure of Main Road between the Publix Shopping Center entrance and U.S. 17 at Bees Ferry Road as part of the **Bees Ferry Road Widening Project**:

- The closure on Main Road will occur Aug. 18-20 between 9 p.m. and 5 a.m. each day so workers can install drainage pipe.
- Drivers will be detoured to the Bees Ferry Road and U.S. 17 intersection to reach their destination. See map of detour: http://roads.charlestoncounty.org/3786_001.pdf.
- Message boards will be installed on Bees Ferry Road and Main Road at least 72 hours in advance to notify drivers of the closure.
- All road work is dependent on weather. If the weather is poor August 18-20, work will continue on the next weather-permitting night.

Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. The public is also asked to notice traffic control signs, reductions in speed limit and message board information.

The goal of the project, which is expected to be completed June 2014, is to make improvements to the entire 4.5-mile length of Bees Ferry Road from Savannah Highway (U.S. 17) to Ashley River Road (S.C. 61). The project was requested by the [City of Charleston](#) and is funded by the [Charleston County Transportation Sales Tax Program](#). Partial funding for the project was approved by voters in the second Transportation Sales Tax bond referendum.

Visit the official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6154.
