

News Release

February 11, 2014
Release Number: 3721

Charleston County Government Weather Update

[Charleston County Government](#) will be closed tomorrow, Wednesday February 12

This also applies to the following locations:

- Charleston County library branches
- The Judicial Center Complex downtown Charleston
- The Charleston Center

Charleston County moved into Operating Condition (OPCON) 4. Operating Condition 4 means there is a possibility of an emergency or disaster situation. At this point, Charleston County has not activated the Emergency Operations Center.
