## Traffic Alert: Nighttime Detour and Lane Closures for the Folly Road at Camp Road Intersection Improvements Project

[Charleston County Government](#) announces a temporary nighttime detour starting Sunday, March 12 for traffic on Camp Road. A segment of Camp Road will be closed to traffic from approximately [200 feet east of Folly Road to Bradford Street](#).

Crews will be repairing sections of the road in preparation of widening Camp Road for new turn lanes. The widening will begin once the repairs are complete and the detour will be discontinued. Traffic lanes on Camp Road will then be shifted for several months until all of the widening at the intersection is complete and the new turn lanes are opened to traffic. Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. All work is weather permitting.

### **March 12 – March 13**

- Nighttime detour on Camp Road is scheduled for Sunday and potentially Monday between 9 p.m. and 6 a.m.
- Westbound traffic on Camp Road will be directed onto Bradford and Prescott Streets to access Folly Road.
- Northbound traffic on Folly Road will be directed onto Prescott and Bradford Streets to proceed east on Camp Road.
- Flagmen will be on site to control traffic.
- Drivers will have access to businesses and residential properties along Camp Road at all times.

### **March 14 – March 23**

- Nighttime temporary lane closures will occur on Camp Road between Julia Street and the Folly Road intersection between 9 p.m. and 6 a.m.
- Flagmen will be on site to control traffic.
- Drivers will have access to businesses and residential properties along Camp Road at all times.

The Folly Road at Camp Road Intersection Improvements Project on James Island involves improvements to Folly Road from about 1,000 feet south of Camp Road to the intersection with Eugene Gibbs Street and Rivers Point Row, and improvements to Camp Road from West Madison Avenue to Oyster Point Row. Improvements will relieve traffic congestion and localized flooding by adding turn lanes and upsizing drainage pipes. Bike lanes and sidewalks will also be included in the project. Stay up to date on the Folly Road at Camp Road Intersection Improvements project by visiting [FollyatCamp.com](http://FollyatCamp.com)

Visit the County's official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6140.
