Located in a rapidly growing area of the Interstate 26 corridor between US 78 (University Boulevard) and Ashley Phosphate Road, the Palmetto Commerce Interchange project is being designed to reduce travel times and improve access options, increase traffic mobility in the I-26/Ashley Phosphate Road area and provide more efficient commute options.

The Draft Environmental Assessment is available on the [project website](#). It was produced under Federal Highway Administration (FHWA) National Environmental Policy Act (NEPA) guidelines to determine how the Palmetto Commerce Interchange affects the environmental and the community. Citizens can view the draft assessment and submit comments through July 15. Anyone with questions about the project can call Charleston County's Transportation Development Department at (843) 202-6140.
