Upcoming COVID-19 Rural Vaccination Clinics for Second Doses of the Moderna Vaccine and Single-dose Johnson & Johnson Vaccine

Charleston County and Fetter Health Care will offer the second dose of the Moderna vaccine for those who received their first dose at a previous rural vaccination clinic. Citizens who received the first dose of the Moderna vaccine at the St. Paul's/Hollywood Library on February 16, 2021, will receive a second dose on Tuesday, March 16 at the same location between 9:00 a.m. – 12:00 p.m.

Citizens who received the first dose of the Moderna vaccine at the Baxter-Patrick James Island Library on February 25, 2021, will receive a second dose at the same location between 9:00 a.m. – 12:00 p.m. on Thursday, March 25.

Those coming to receive their second dose of the Moderna vaccine do not need schedule an appointment, and there is no need to arrive before 9:00 a.m. Please bring with you:

- Photo identification
- The vaccination card provided to you when you received your first dose of the vaccine

Please note, if you did not receive your first dose of the Moderna vaccine at either of the previous rural vaccination clinics, you will not receive a vaccine the morning of March 16 or March 25.

Single-dose Johnson & Johnson vaccines will be available in the afternoon.

Date and Time	Location
Tuesday, March 16 1 p.m. – 4 p.m.	St. Paul's/Hollywood Library 5130 Highway 165, Hollywood, SC 29449
Thursday, March 25 1 p.m. – 4 p.m.	Baxter-Patrick James Island Library 1858 S. Grimball Road Charleston, SC 29412

It is important that citizens receiving the single-dose Johnson & Johnson vaccine do not arrive before 12:30 p.m. Vaccines are available to citizens in Phase 1a and Phase 1b, which includes citizens 55 and older, those at increased risk for severe COVID-19 disease and frontline workers with increased occupational risk. The clinics are first come, first serve and do not require an appointment.

Those coming for a single-dose Johnson & Johnson vaccine, please bring with you:

- Photo identification
- Insurance card, if applicable

The libraries will be closed to the public on the day of the vaccine clinics. The book drops will also be closed. Charleston County plans to continue working with Fetter Health Care on future rural clinics as the COVID-19 vaccine becomes available.

About Fetter Health Care Network: Fetter Health Care Network is a Federally Qualified Health Center (FQHC) chartered as a 501c3 non-profit in the State of South Carolina in 1975. They provide comprehensive services for insured, uninsured and underserved residents in Berkeley, Charleston, Colleton and Dorchester Counties. Today, Fetter Health Care Network has 24 different sites which includes a mobile dental unit, medical laboratories and pharmacies.
