Alpha Sheet Metal Works expands Charleston County operations

\$3.7 million investment will create 14 new jobs

[Alpha Sheet Metal Works](#), a metal fabricator, today announced it is expanding its operations in Charleston County. The company's \$3.7 million investment will create 14 new jobs.

With more than 80 years of experience, Alpha Sheet Metal Works specializes in steel, stainless steel and aluminum metal products. The company's products range from individual parts to complete automated assemblies.

Alpha Sheet Metal Works will add 24,000 square feet next to its existing facility, located at 9525 Hamburg Road in Ladson, to increase its Computer Numerical Control (CNC) machining, assembly and large-format fabrication capabilities.

Operations are already online. Individuals interested in joining the Alpha Sheet Metal Works team should contact office@alphamachine.com.
